Make Your Own Womble Sock Puppet

Follow these instructions to make your own Womble Sock Puppet! (You may need an adult to help)

1. Start by finding an old sock. Put the sock on your hand. Tuck the toe part inside between your thumb and four fingers, which will leave a mouth-like opening that you can control by opening and closing your hand.
2. Use a piece of chalk or marker pen to make small dots where you want facial features to be.
3. Remove the sock puppet from your hand and you can begin to assemble your puppet using different craft materials and white craft glue.

Notes:

Make sure all glue dries thoroughly before using the Womble sock puppet.

Buttons and beads will hold better, if sewn on with a needle and thread.

Yarn and pipe cleaners can be threaded through small holes and knotted on the inside to stay in place.

Some ideas to create particular features:

- EYES: buttons, beads, paper, marker pens, pasta.
- EARS: peanuts, baby socks (for long ears), felt triangles or circles, pasta.
- NOSE: buttons, beads, peanuts, styrofoam balls, jingle bells, pom-poms, pasta.
- MOUTH: line with felt, draw on with marker pen, pasta.
- ACCESSORIES: strung beads for necklaces or earrings, upside down cups for hats, felt or scraps of material for shirts, ties and collars.

The WOMBLES

Madame Cholet's Fairy Cakes

Why not make your own fairy cakes, just like Madame Cholet? This yummy recipe will make 24 mini cakes.
(Ask an adult to help!)

Ingredients:

125g softened butter
125g caster sugar
2 eggs, lightly beaten
1 tsp vanilla extract

125g self-raising flour

2 tbsp milk

125g icing sugar

2-3 tsp of food colouring

Instructions:

1. Preheat the oven to 190°C/Gas mark 5. Butter your cake tin or place paper cases in the holes.
2. In a mixing bowl, beat the butter and sugar together until pale and fluffy. You can use an electric whisk or a wooden spoon to do this.
3. Add the beaten eggs, a little at a time, whisking to mix. Then beat in the vanilla extract.
4. Sift in half of the flour and fold into the mixture. Add the milk and the rest of the flour and fold until well combined.
5. Spoon the mixture into your cake tin or paper cases and bake for 12 minutes or until it has risen and is golden on top. Allow to cool for 10 minutes on a rack before removing from the tin.
6. Mix some icing sugar and water in a bowl. Once the cakes have cooled, add the icing mixture to the top of the fairy cakes. Use your favourite food colouring for extra yummy-ness!

The WOMBLES

Decomposing Time Test

Here's a list of different items, can you guess how long they each take to decompose?

Apple core TWO MONTHS

Banana peel _____

Orange peel _____

Paper bag _____

Cardboard _____

Milk cartons _____

Newspaper _____

Paper towel _____

Aluminium can _____

Disposable nappy _____

Plastic bag _____

Glass _____

Leather shoes _____

Plastic containers _____

Foamed plastic cups _____

Plastic bottle _____
