

The cover features a vibrant winter scene. At the top, a string of colorful Christmas lights hangs against a dark blue night sky. The title 'Nuddy Ned's Christmas' is written in large, bold, red letters. Below it, 'Activity pack' is written in white. The central illustration shows a snowman with a carrot nose and a colorful patterned scarf. To the left, a reindeer with a red collar and bell stands in the snow. To the right, a boy with blonde hair is running through the snow, wearing a matching colorful patterned blanket. In the background, there are snow-covered houses and a decorated Christmas tree with a bird perched on a branch.
