Puppet Show!

Step One

Collect the materials:

- Marmaduke character sheet
- Scissors
- Pens
- Tape

Step Two

Use scissors to cut out Marmaduke and his friends. Ask an adult for help, if needed.

Step Three

Put the characters face down so you only see the white side of the paper. Tape each character to a pen.

Step Four

Have your puppet show! You can retell the story of Marmaduke and his friend Meg, or make up a new one!
